

Between Friends
connect • grow • belong

Between Friends

connect • grow • belong

Between Friends is a charitable organization that provides quality social, recreation and development opportunities so that people with disabilities can connect, grow, and belong.

Children, youth and adults with disabilities seek social and recreational activities that are fundamental to enriching self-esteem, quality of life, as well as mental and physical health.

These programs become pivotal in the lives of our participants as they decrease the degree of isolation they may face.
