Between Friends
connect • grow • belong

Between Friends is a charitable organization that provides quality social, recreation and development opportunities so that people with disabilities can connect, grow, and belong.

Children, youth and adults with disabilities seek social and recreational activities that are fundamental to enriching self-esteem, quality of life, as well as mental and physical health.

These programs become pivotal in the lives of our participants as they decrease the degree of isolation they may face.

Friends in Motion

Between Friends is very excited to announce the return of the Friends in Motion theme Mini Olympics, hosted by Schanks. This event will couple together favorite pastimes of many of our members with a great opportunity for Calgary teams to come together to raise funds for Between Friends. Friends in Motion is our largest fundraising event of the year with all proceeds supporting Between Friends summer programming.

Teams of 4 will register and be paired with a Between Friends Member to encourage both corporate team building and inclusion in our community. They are encouraged to dress in costume, come up with a unique team name and of course raise funds for a great cause. Teams will also compete for prizes for the highest team score, top fundraising team and best team costume. The Friends in Motion: Mini Olympics, promises to be an evening full of entertainment and good times with colleagues, family and friends.
