## MINI OLYMPICS

Between Friends is thrilled to bring back the highly anticipated Friends in Motion Mini Olympics, hosted by Schanks! This exciting event combines the favorite pastimes of our members with an incredible opportunity for Calgary teams to come together for a cause close to our hearts. Join us as we rally the community to raise vital funds to support Between Friends, ensuring everyone has the opportunity to **connect, grow, and belong**. Friends in Motion is our largest annual fundraiser, and we can't wait to see you there, cheering, competing, and making a difference!

Teams of four will register for this exciting event and be paired with a Between Friends Member, creating a perfect blend of corporate team building and community inclusion. It's a chance to bring your best game while fostering connections and raising funds for a great cause! Costumes are encouraged, and teams are invited to come up with a unique team name that reflects their style and spirit. The competition heats up with prizes for the highest team score, top fundraising team, and best team costume
