

★ MAKING PLAY MORE ACCESSIBLE ★

Epic Kidz is proud to collaborate with Between Friends to make high-quality play equipment more accessible to Alberta families. Our products are designed to create safe, engaging spaces that encourage learning, movement, and open-ended play – right at home.

Therapeutic Benefits:

- ★ **Sensory Regulation & Proprioceptive Input:** Supports self-regulation through heavy work activities like pushing, pulling, climbing, and more.
- ★ **Gross Motor Development & Coordination:** Encourages movement, balance, strength-building, and motor planning.
- ★ **Creative & Adaptive Play:** Modular designs invite open-ended play, helping kids build confidence, independence, and flexible thinking.
- ★ **Social Interaction & Turn-Taking:** Promotes cooperative play and communication in shared play environments.

How It Works:

- ★ **Step 1:** Browse www.epickidzplay.com to explore our full range of products. Not sure where to start? Consult with your service provider or check out our FAQ on the next page.
- ★ **Step 2:** Add your preferred products to your cart. At checkout, enter your 15% off family discount code **BETWEENFRIENDSKIDZ15** – and don't forget, flexible payment plans are available!
- ★ **Step 3:** After placing your order, we'll handle the rest! Orders over \$200 ship free from our Calgary warehouse. Local pick-up is also available!
- ★ **Step 4:** Enjoy your equipment! Build a play space that's fun, functional, and supports your child's growth and development.

★ We're Here to Help ★

Our mission is to make sensory equipment more affordable and accessible for Canadian families. If you have any questions, feedback, or need support, please reach out to us anytime at hello@epickidzplay.com.

See our FAQ on the next page for more details!

★ FREQUENTLY ASKED QUESTIONS ★

What products does Epic Kidz offer?

- ★ We offer a variety of **foam play furniture** designed to support sensory, motor, and creative development. Explore our sets and add-ons at www.epickidzplay.com!

How does the 15% discount work for families?

- ★ Families receive **15% off** with a referral code from their service provider. The code works on any product and can be used on every order.

Do you offer payment plans?

- ★ Yes! At checkout, select Sezzle or Afterpay for **4 equal interest-free payments**.

Which products are best suited for my child?

- ★ **Toddlers (1-3 years):** An Epic Fort Building Play Couch or an Epic Creativity Play Couch is perfect for climbing and sensory play, paired with Climb & Slide Wedges and Stairs.
- ★ **Preschoolers (4-6 years):** An Epic Fort Building Play Couch or an Epic Creativity Play Couch is great for gross motor skills and balance. Climb & Slide Wedges, Stairs, Rockers, and Stepping Stones all work well together!
- ★ **School-Age Kids and Teens (7+ years):** Multiple Epic Fort Building Play Couches, paired with Climb & Slide Wedges, Stairs, Trapezoids, and Thick Connected Bases provide opportunities for advanced stable builds and problem solving.

What if I'm unsure which products are best for my child?

- ★ No problem! Our team is happy to help. Email us at hello@epickidzplay.com with your child's age, goals, and any other relevant details, and we'll recommend a setup that **suits your needs and space**.

What materials are your play couches made of?

- ★ Our products are made of CertiPUR-US® foam, **non-toxic waterproof liners** to protect the foam, and **machine-washable** microsuede covers. We meet all Canadian & US safety standards.

What about shipping?

- ★ We ship **directly from Calgary**, with free shipping on orders over \$200. Most orders arrive within 1-10 business days, and tracking info is provided once shipped.

Is local pick-up available?

- ★ Yes! Select **"local pick-up"** at checkout. Most orders are ready next business day.

How do your products support children with sensory needs?

- ★ Our play furniture encourages movement, body awareness, and regulation through activities like climbing, crashing, and building – helping kids gain confidence, coordination, and control.
