

## Between Friends | WeConnect Group Leader Position

Between Friends creates opportunities for people with disabilities to connect, grow, and belong through social and recreational activities. As a charitable organization, we rely on the efforts of our personnel to help provide safe and inclusive programming for our participants. Between Friends is an equal opportunity employer. Between Friends thoroughly screens all applicants initially and on an on-going basis.

WeConnect Virtual Programming began during the 2020 COVID-19 pandemic when we were unable to run in-person programming. We believe in the positive benefits of social connection, especially during this time of physical distancing. Between Friends is working hard to ensure that our members have programming that allows them to connect, grow, and belong. Our program offerings include movement programs, crafting programs, social programs such as game nights and movie nights, and offering Special Events. We understand that a lot of our members are already having lots of screen time, so we will try and focus on the social interactions, while providing a safe and accepting environment.
